Dear Philip,

The accreditation authorized by this letter is valid for 1 (one) year beginning with the date of this letter. If a specific date is listed below the accreditation is only for the date specified. If changes are made to course material during the accreditation period you **must** contact the ABMDI with the changes. The accreditation is based on the information provided.

<u>Course</u>	<u>Location</u>	<u>Accreditation Number</u>	<u>ABMDI Credit Hours</u>
<i>Autopsy and Injury Photography</i>	multiple locations	20-012	24

Attendees should claim only those hours of continuing education that they spent in the educational activity.

Each attendee should receive a certificate of attendance indicating the name of the training, date, the number of continuing education hours granted and the ABMDI Accreditation Number so that they can document their continuing education. Please keep sign-in sheets on file for a seven year period. We will request them should we be audited.

Thank you for contacting us to inquire about continuing education for this training. We appreciate your support of the ABMDI goals. Please let me know if you have questions or if we can be of further assistance.

Sincerely,

Bethany Fax
